Pilot project for hybrid cotton seed

Q.—14. Sri K. LAKKAPPA (Chennarayapatna).—

Will the Government be pleased to state :—

(*a*) whether they are aware that the Agricultural Research Sub-Committee of the Indian Central Cotton Committee has recommended for a pilot project to be implemented in Mysore State to produce hybrid cotton seed ;

(*b*) where they propose to start this project ?

A.—Dr. R. NAGAN GOWDA (Minister for Agriculture).—

(*a*) Yes. The Sub-Committee have recommended the starting of a Pilot Project for the production of hybrid seed on a commercial scale. But formal proposals from the Indian Central Cotton Committee in this matter have not been received.

(*b*) Malavalli area commanded by V.C. Canal and Malnad area having 40" to 50" of rainfall, are under contemplation for the location of this project. This question will be decided only after the receipt of formal proposals from the Secretary, Indian Central Cotton Committee.
